Something Pretty

WELCOME

We are delighted to share the images of our latest bra and prostheses collection.

As always, the fit for some of the styles differ a little and if you would like some feedback, please e-mail us and we will share our experience of them when fitting our patients.

We are always happy to give advice on working out what size you need to order and options to try.

Thank you

Trulife's newest Leisure and Post Surgery Breast Form. Our soft, lightweight foam and fiber-fill prosthesis is recommended for leisure, post-surgery and moderate activities. It is also eco-friendly! Good for the environment and good for post-surgery needs.

Asymmetrical shape has slight extension to fit under the arm or the upper chest.

Fiber filling made from recycled plastic bottles.

Soft Bamboo material with moisture wicking properties.

A gently weighted front helps to restore balance.

Shape: Asymmetrical

Size: 1-12 L/R

Colours: Beige

Active Flow

£45

Trulife swim forms are ideal for all water activities. They retain their shape in and out of water. They can be used in chlorinated and salt water. ActiveFlow is the newest concept in active lifestyle breast form design. The perfect combination of beads and moulded spacer fabric provide a flattering, natural profile, whether active or lying down.

Popular for all activities including swimming and jogging.

Lightweight monoprene beads do not absorb water and dry quickly.

The beads also move and flatten when sunbathing.

Shape: Symmetrical Triangle

Size: 1-14
